

RIG 5

easternwell[™]
all together better

DMS 1208020D

Carrier

| | |
|----------------|----------------------|
| Make: | Ideco H-35 KD |
| Type: | Self propelled |
| Depth: | 12,000' |
| Engine: | GM 8v71 Diesel 320hp |

Mast

| | |
|-----------------------|--|
| Make: | Ideco KM-95-212-GH |
| Height: | 96' |
| Type: | Telescoping double hydraulic raised |
| Rating: | 212,000lbs |
| Max Hook Load: | 210,000lbs on 6 lines 140,000lbs on 4 lines |

Drawworks

| | |
|-------------------------|----------------------------|
| Drums: | Main & sand line |
| Model: | Ideco |
| Drill Line: | 1" |
| Brakes: | Width 10½" |
| Cooling System: | Air cooled with sprinklers |
| Secondary Brake: | 15" double hydromatic |

Mud Pump / Mud Tank

| | |
|-------------------------|---|
| Engine: | GM 4/71 180hp |
| Transmission: | Eaton 5 speed manual |
| Model: | National JWS 165 |
| Max Pressure: | 3,000psi |
| Capability: | 5bbls/min @ 1,200psi |
| Mud Tank Volume: | Main tank 130bbls Pill tank 50bbls Settling tank 50bbls |

Well Control System / Catwalk

| | |
|-----------------------|---|
| Spherical BOP: | Townsend 5,000psi |
| Gate BOP x 2: | Townsend 5,000psi double gate |
| Koomey Unit: | 80gal |
| Catwalk: | 40' steel catwalk with pipe racks each side |
