

RIG 6

easternwell[™]
all together better

DMS 1407027B

Carrier

Make:	Easternwell
Type:	Quad-axle trailer workover rig
Depth:	13,000'
Engine:	Caterpillar 3406 Diesel 430hp

Mast

Make:	IronTech
Height:	104'
Type:	Internally guyed telescoping double hydraulic raised
Rating:	225,000lbs
Max Hook Load:	225,000lbs on 6 lines 200,000lbs on 4 lines

Drawworks

Drums:	Main & sand line
Model:	Rig Up
Drill line:	1" 6 x 26
Brakes:	42" x 10" main drum 38" x 8" sand line
Cooling System:	Air cooled with sprinklers
Secondary Brake:	Calliper disc brake Air cooled Rig Up 47" calliper disc brake

Mud Pump / Mud Tank

Engine:	8V 71 GM 320hp
Transmission:	Allison automatic
Model:	Gardener Denver PAH
Max Pressure:	5,000psi
Capability:	7bbls/min @ 1,550psi
Mud Tank:	Shaker Total volume 420bbls Main tank 332bbls Pill tank 44bbls Settling tank 44bbls

Well Control System / Catwalk

Spherical BOP:	7 $\frac{1}{16}$ " 5,000psi
Gate BOP x 2:	7 $\frac{1}{16}$ " 5,000psi double gate
Koomey Unit:	88gal
Catwalk:	Trailer style 45' steel catwalk with swing out adjustable pipe racks each side
Maximum OD:	9 $\frac{5}{8}$ "
Maximum Length:	45" Range 3
